Candidate for Mayor Rizzo Holds Campaign Office Grand Opening Sat.

The Dan Rizzo for Mayor Campaign announced this week the Grand Opening of their campaign headquarters, located at 313 Broadway in Revere. The location next to City Hall Variety is well suited for campaign-style operations, as it has served as headquarters for several other campaigns in the past. The offices' central location and more than ample parking space will do much to facilitate the nightly campaign phone banks and weekend canvasses commencing very soon. Owner of Rizzo Insurance, conveniently located across the street, mayoral candidate Dan Rizzo seems very pleased with his campaign's choice of office and is positive about his campaign's voter outreach operations so far, "I am very happy with the new headquarters, and more importantly our volunteers are very happy; they are very enthusiastic and excited to begin using the office to execute our field plan. This office will be the center of my campaign to continue to bring top-notch education to Revere and make sure our neighborhoods are safe." In addition to the plethora of parking spaces available, as well as the offices central location and high visibility, the headquarters is outfitted with high speed Wi-Fi Internet and storage space for campaign materials.

Rizzo's campaign also announced the Grand Opening of the campaign headquarters, beginning at 10am, this Saturday, February 12th, 2011. The opening will include coffee and other refreshments as well as the opportunity to sign up to volunteer for the campaign in the coming weeks. All are invited to come with friends and family. If you have any questions please go to Dan's website- www.danrizzo.org.

Dan Rizzo, small business owner and six-term city councillor, is a candidate for mayor.
